

# SEXUAL HARASSMENT

---

Good Afternoon Everyone,  
This is Chris Lopez I am a member Of UFCW LOCAL 135. I believe The Labor Movement needs to champion workplace dignity and the power of unions to protect against exploitation and harassment. It is my understanding that there has been NO Internal investigation by the UFCW INTERNATIONAL UNION on the Serious Allegations of Sexual Harassment, Gender Discrimination, and other Violations of Civil Rights by Mickey Kasparian President of UFCW LOCAL 135. If this is true, our union needs to do better. I highly recommend our union Leaders to investigate these Allegations as soon as possible. Silence is Complicity.

In Addition, there are rumors that Mickey Kasparian has misused Dues and falsified receipts for his own personal use. Therefore I call for a full investigation, Audit, and for Mickey Kasparian to be put on administrative leave until all of this is resolved.
