Re: UFCW, Local 135

Dear Mr. Lopez:

Please be advised that our law firm represents UFCW, Local 135. It has come to our attention that you have been e-mailing false and defamatory messages to officers, employees and members of various UFCW Locals. The contact information that you used for sending these e-mails is proprietary to the Union and its use by you constitutes both a conversion of Union property and a violation of the recipient's right of privacy. We, therefore, demand that you immediately cease and desist any further communications to anyone by means of such illegally misappropriated e-mail addresses and from communicating defamatory messages. Failure to do so will result in legal action against you.

Sincerely yours,

Michael R. Feinberg
