Subject: Temporary Leave of Absence

Hello Central Committee,

Last night the Executive Board approved my request for a temporary leave of absence, as provided for in our Policies and Procedures. This takes effect today through no later than July 31st. All is well, but I need the time to focus on some important personal matters. Our Chair Pro Tem, Ross Pike, will be Acting Chair during this period.

As you know, ballots are going out this week for the critical D1 Supervisor special election. Our campaign plans and outreach to Democratic voters are well underway, but the outcome will come down to the additional push all of us can make over the next four weeks. I implore each and every one of you to do everything you can -- and enlist the help of your friends and family -- to elect our fantastic candidate, Mayor Paloma Aguirre. Thank you for all you do -- and thanks for your confidence in me as we've navigated through some difficult times over the past year. Now let's keep up the fight, for our county and for our country.

Best,

Kyle Krahel-Frolander
